

Editor's note

Cloud-Cuckoo-Land will change

Wolkenkuckucksheim – Cloud-Cuckoo-Land – Воздушный замок will undergo a change. It will be joined by additional publishers and three local editorial departments will be established. Furthermore the Internet configuration and layout will be changed. For the current issue 32, the articles have already been published as a PDF file, because the pages can be numbered and thus facilitate citing. At the same time, the format of the PDF complies to the archiving specifications of the German National Library. The journal will be kept freely accessible and public.
